DETAILED ACTION

Allowable Subject Matter

Claim 1, 2, 4, 9-15, 17-22, and 27-31 allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claim 1 the prior art does not teach a decision model that determines an optimal display set view from the plurality of comparison set views by maximizing individual instruction matches between the first and second control programs; in combination with all of the other claim limitations.

In regards to independent claims 14 and 30, the prior art does not teach a decision model that determines an optimal display set view from the plurality of comparison set views by maximizing individual instruction matches between the first and second control programs; in combination with all of the other claim limitations.

In regards to independent claim 21 the prior art does not teach generating a plurality of comparison scenarios based on the differences to provide a plurality of comparison set views and selecting an optimal display set view from the plurality of comparison set views by maximizing individual rung matches between the first and second ladder logic control programs; in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
